CHECKLIST

Costume Budgeting Checklist

- [ ] List what your character's costume could eventually include
- [ ] Mark which items the event rules or your faction actually require
- [ ] Set a fixed spending limit before browsing anything
- [ ] Split the limit across clothing, armour and accessories
- [ ] Check secondhand shops and your local group before buying new
- [ ] Make structural pieces like armour yourself where possible
- [ ] Buy or make required items before anything decorative
- [ ] Add one or two optional pieces per event rather than all at once
- [ ] Review the costume after each event and drop what you no longer want
