CHECKLIST

Character Development Checklist for Your Next Event

- [ ] Write a short summary of what happened to your character at the last event
- [ ] Identify one relationship that shifted and decide how to approach that person next time
- [ ] Choose one goal your character is working towards and plan a single action to move closer to it
- [ ] Review notes from earlier events and look for patterns in your character's behaviour
- [ ] Think of one decision your character regrets and consider how they might respond differently
- [ ] Check if your costume or kit reflects recent changes in your character's story
- [ ] Ask another player who knows your character if they have noticed any shifts
