CHECKLIST

Post-Scene Feedback Checklist

- [ ] Ask if the other player is ready to talk about the scene
- [ ] Describe what you noticed from your own perspective
- [ ] Keep your comments specific to moments you can name
- [ ] Listen to their response without interrupting or defending
- [ ] Thank them for sharing their view, even if you disagree
- [ ] Focus on what worked as well as what felt unclear
- [ ] Avoid giving solutions unless they ask for suggestions
- [ ] Check whether they want to discuss sensitive scenes before starting
