CHECKLIST

Safety incident response checklist for LARP players

- [ ] Attend the safety briefing and identify marshals and first aiders
- [ ] Stop your own actions immediately if you see someone hurt
- [ ] Check if the person is conscious and responsive
- [ ] Keep bystanders at a safe distance from the injured person
- [ ] Stay with the person until help arrives
- [ ] Describe what you saw in plain terms to the marshal
- [ ] Report faulty equipment or hazards to a marshal straight away
- [ ] Step back once you have reported unless asked to stay
- [ ] Contact organisers privately after the event if you have safety concerns
